

Year 10 Mock Exams March 2022

The timetable for the mock exams is attached. Please check it carefully and highlight which exams you will be taking. Your timetable does depend on your option blocks. Use your normal timetable and the following information to work out which subject you have in which option.

Option 1 is the subject you normally have periods 1 and 2 on a Monday and period 3 on a Tuesday

Option 2 is period 4 on a Tuesday and 5 and 6 on a Wednesday

Option 3 is period 3 on a Wednesday and periods 5 and 6 on a Thursday

Option 4 is periods 5 and 6 on a Monday and period 1 on a Thursday

If you take a subject listed under a * you will sit that mock regardless of what option block it is in – all students who study that subject will sit that mock together.

You **MUST** therefore read the timetable and information carefully and double check that you know when ALL of your mocks are. When you are not in an exam you will be in normal lessons. There is no mock for Health & Social Care.

When?

The first morning exam will start immediately after you have been registered at **9.15am**. After lunch exams will start at the beginning of period 5 except for **Monday 21st, Wednesday 23rd & Thursday, 24th March when they will start at 1.40pm**. You will be able to get lunch before your exam.

Where?

Most mocks will take place in the Main Hall or the Boulter Room except for Music and MFL listening exams – you will be told what rooms these will be in.

Please note

- **These exams will be run as though they were real GCSE exams. This means you must bring all your equipment with you as you would for an external exam. *Bring two black pens and any other equipment you will need. Remember your calculator and any other equipment needed for your maths mock.***
- If you are absent for a mock, a catch up session will be scheduled for the next available slot in the exam session. If you are not in school for this session your teacher(s) will arrange for you to sit your mock when you are back in school.
